

LIMITED WARRANTY

This warranty is limited to products which fail under normal use and service because of defects in material and/or workmanship caused by Walther Engineering and Manufacturing Company, Inc. (Seller). All warranty claims made hereunder are subject to inspection and verification of material and workmanship by an authorized representative of Seller, within a reasonable period after a warranty claim is made. Seller may elect to repair or replace a defective product either at its Franklin, Ohio factory or through an approved service representative or repair facility. Seller shall be solely responsible for the cost of repair or replacement of a product which is the subject of a valid warranty claim. However, in every event, the cost of transporting the defective product to the site of repair or replacement designated by Seller, as well as all labor (including removal and reinstallation of the product), and freight, insurance, and handling costs shall be sole responsibility of the first person or entity that places Seller’s products in service (Buyer). Seller will not accept the return of any product without Seller’s prior written authorization. Such products authorized for return must be shipped freight prepaid and include a Seller provided Returned Material Authorization number. Seller’s liability to Buyer, or anyone claiming through or on behalf of Buyer, with respect to any claim or loss arising out of the use of products subject to this warranty or alleged to have resulted from actual act or omission of Seller, whether negligent or otherwise, and whether in tort, contract or otherwise, including failure to deliver, delay in delivery, or breach or warranty, shall be limited to an amount equal to the original sale price of the product, or where appropriate and at the option of Seller, to replacement for the product. In no case will Seller be liable for any bodily injury, death, or property damage resulting from or in any way arising out of the product or their use or manufacture. IN NO EVENT SHALL SELLER BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, COSTS OR EXPENSES ARISING OUT OF ANY SALE, CONTRACT OR TRANSACTION WITH BUYER WITH RESPECT TO THE PRODUCT. The above warranty is void if (1) the product is misused or modified, (2) if Buyer fails to adhere to Seller's installation and maintenance guidelines, (3) the product is worn beyond the replacement thickness cast into the rotor and listed in the Seller's maintenance guidelines. Without limitation, misuse includes overloading, off-highway use, improper wheel nut torque, wheel seal and stud failure, excessive bearing end-play, and unauthorized modifications, alterations, or repair. Further, Seller is not liable for any failure or damages caused by improper application or use of the product, fire, accidents or results thereof, or acts of God.

THESE ARE SELLER’S ONLY WARRANTIES. SELLER MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED.
